

About Money

From the **All Come Home** CD

He pulled the cash from his pocket, said "Here's twenty for the hat."

I said, "It's yours if you want it; I got lots more like that."

I got a thing about money; don't want to make it that way

Put it back in your pocket; save it for a rainy day

He called the ten in the corner, nudged the eight in the side

He threw his stick on the table, I thought he was gonna cry

I got a thing about money; don't want to make it that way

Put it back in your pocket; save it for a rainy day

Save it for a rainy day, save it for the end of the world

Save it for a rainy day, or spend it on some pretty girl

We're watchin' Monday night football, he said, "Those Packers are gonna win."

Then the quarterback fumbles, walks off with a stupid grin

I got a thing about money; don't want to make it that way

Put it back in your pocket; save it for a rainy day

Save it for a rainy day, save it for the end of the world

Save it for a rainy day, or spend it on some pretty girl

Yeah, save it for a rainy day

She put her hand on my knee, said, "Hon, did you bring any change?"

I said, "I really don't know, but your hand's well within range."

I got a thing about money; I'm going to spend it that way

Got a hole in my pocket, welcome to that rainy day

Save it for a rainy day, save it for the end of the world

Save it for a rainy day, or spend it on some pretty girl

Yeah, save it for a rainy day, save it for the end of the world

Yeah, save it for a rainy day, or spend it on some pretty girl
